

Autumn
dreams

A black and white line drawing for a coloring page. The central focus is a large, vertically-oriented oval with a dotted border. Inside the oval, the words "Pumpkin Spice" are written in a large, flowing cursive font. Below this, the words "& ALL THINGS NICE" are written in a smaller, simple, uppercase sans-serif font. The background is filled with various autumn-themed illustrations: several pumpkins of different sizes and orientations, some with stems and leaves; scattered leaves of various shapes and sizes; and small clusters of berries or seeds. In the foreground, there is a large, detailed illustration of a pumpkin with a stem and leaf. To the left of the pumpkin is a coffee cup with a lid, decorated with a pattern of swirls and dots. The entire scene is designed to be a fun and creative activity for children.
