Day 12

Snowflake Pop Out Card

Download the cutting file from craftwithsarah.com/CCC12

Supplies List

- Cricut machine / Silhouette / ScanNCut
- Light grip cutting mat
- Coloured card (I used 160-240gsm weight of card)
- Collall All Purpose glue or similar
- Needle tip applicator bottle (optional)
- 3D foam pads
- Double sided tape
- Peel-off stickers

Instructions

Full instructions with photos and a video are available at craftwithsarah.com/CCC12

- 1 Download the cutting files from the link above and unzip the folder
- 2 Upload the cutting files into your cutting machine software. For Cricut Design Space you **must** use the files that start SVG_ in the filename.
- 3 Check the sizes. The card front should be 5 inches wide and 7 inches tall. The inside piece should be 10 inches wide and 5 inches tall.
- 4 Change the vertical cut lines to "score" lines and Attach them to the relevant card pieces.
- 5 Cut out all of the layers from cardstock.
- 6 Fold the popout piece following the guide in the link at the top of this page.
- 7 Stick it inside the card. Add peel-off stickers to decorate.
- 8 Use a combination of glue & foam pads to stick the layers of the front of the card together.
