- Collall All Purpose Glue
- Needle Tip Applicator Bottle
- 3D foam pads

# Instructions

Full instructions with photos and a video are available at [craftwithsarah.com/CCC20](https://craftwithsarah.com/CCC20)

- 1 Download the cutting file from the link above and unzip the folder. Upload the SVG into Design Space.
- 2 If you are using the DIY SVG, resize it to 11.5 inches wide. For the premade one, resize it to 13 inches wide.
- 3 If you are making the DIY version then add all the images to your wreath to make it how you want it to look.
- 4 Cut out the layers.
- 5 Assemble the poinsettias following the PDF guide included in the download folder.
- 6 Thread twine or ribbon through the hole on the top of the base piece and tie into a knot or bow.
- 7 Stick all the graphics to the base wreath.
